

A MOUTH THAT NEVER OPENS...
By: Thompson, Larry A. (F.F.)

To Whom It May Concern: Please appreciate the simple "Truth" of the following statement: **"A MOUTH THAT NEVER OPENS, NEVER GETS FED"**. Hoping that you can appreciate the statement and it's meaning, I, and my Wife, are now turning to you with open mouths and asking for your consideration and help.

My name is Larry Allen Thompson and for the past 22+ years I've been fighting for my freedom because in April of 1994 I was wrongfully convicted for a murder that I Did NOT Commit! I'm not starving for food, clothing, or unnecessary attention; the State of Colorado provides me with plenty of that. No, what I am lacking, and what my Wife and I need is some serious financial assistance because **"Freedom & Justice In America Is Not Cheap!!!"**.

A sad reality of the "Criminal Justice System" in America is the fact that more often than not, and more often than should be acceptable, a person is not "Innocent Until Proven Guilty"; Instead, they're considered guilty unless they can either afford to buy their freedom, OR, they can conclusively prove their innocence. Unfortunately at the time of my trial I could do neither. Without the monetary resources I could not afford to retain competent legal representation and the "State Appointed Lawyer" has long since admitted that he did a very poor job. The proof of my innocence is out there, and by Grace I'm getting closer, and closer to it, but, there is still work to be done before Freedom & Justice are mine.

Time Is **NOT** My Friend, and I'll not waste your's by writing a "Woe Is Me" tale. What I will say is that Every-Thing that you're reading Is 100% verifiable, not only through the court records & rulings which are easily accessible "On-Line", it can all be verified by contacting my current attorney and private investigator who are diligently working to secure my freedom even as you read this plea.

In August of 1993 I was falsely accused of murder by my late wife; Tried and wrongfully convicted in 1994 because the prosecutors relied on False DNA Evidence and Perjured Testimony; and denied every appellate effort since then. In October of 2014 I was at my lowest point having received yet another rejection for help from a so called "last chance advocacy group", and that's when I prayed for an Angel... The answer to my prayer is my Wife, Simone.

In May of 2015, Simone retained the services of Mr. John Dicke who is an extremely well seasoned, experienced, and successful criminal defense lawyer; She also retained Mr. Mike Vester of "Details Investigations" who is the private investigator who has been fighting for my freedom on and off since 2003. Their contact information is listed at the end of this message and

they can, and will confirm & clarify for you my claims of innocence because they've researched & investigated the case, and in fact have developed enough "Newly Discovered Evidence" to get the case back into the court. Unfortunately their services are not "Free" and that's why my Wife and I are now seeking your help in the ongoing fight for my freedom.

In, and from prison, there are very few opportunities for a man or a woman to obtain "Justice" once they've been wrongfully convicted. There are not a lot of forums in which their cries of innocence are taken seriously, and even fewer open minded people who are willing to actually care about the wrongfully imprisoned. I've been blessed by the fact that Simone believes in my innocence; Mike Vester & John Dicke believe in my innocence & cause; And, the proof of my innocence is out there. I've also been blessed by the fact that Simone has invested so much of her savings in Our collective quest for my freedom; But, I regret the fact that We are still falling short of the total amount that will ultimately be necessary to sustain our defense team when we're granted a new trial. Our financial needs are great; Our quest for Freedom & Justice is righteous; And, Our hope is that You will help Us by making a donation to Our cause. "A mouth that never opens, Never gets fed"; Please feed us with your compassion, prayers, and donations.

For verification of all that I've written, I encourage you to call both Mike Vester, and John Dicke; Their contact information is as follows:
